FOR IMMEDIATE RELEASE

IN THE HALLS OF CONGRESS AND SCHOOLS LIES THE QUESTION WHERE FINANCIAL LITERACY BELONGS. DR. JADE K. BRIGHTLY RELEASES NEW FINANCIAL BOOK TO COACH TEACHERS TO DELIVER FINANCIAL LITERACY.

- Launch event will present Barnes and Nobles book signings and Q and A community forums. The community forums will present a panel of financial professionals who will discuss the importance of financial literacy, why financial literacy should be mandated into school curriculums, and answer questions regarding debt, credit, and financial issues.

Orlando, FL – February 25, 2010 – Dr. Jade K Brightly will release **8 KEYS to Financial Freedom: CREDIT SECRETS Everyone Should Know and Schools Should Teach**, the first in a series of financial books designed to help consumers with ongoing financial crises preserve their credit. Dr. Brightly’s first book signing, **“Financial Fitness”** begins February 25, 2010 at the La Fitness Center from 5pm-8pm, 2999 East Colonial Drive, Orlando, FL 32803-5038 (407) 896-1202 www.lafitness.com.

ABOUT DR. JADE K BRIGHTLY Dr. Brightly is an author, entrepreneur, presenter on financial and self help topics. Dr. Brightly holds a Doctorate of Philosophy in Educational and Leadership Administration (PhD). Her dissertation examined a phenomenological study of the parental view of school health programs and its impact on the family. Dr. Brightly’s research and special interest areas include: financial literacy, health and wellness programs, policy implementation, health education, and social epidemics that affect families. Dr. Brightly’s work and education experiences have yielded a cornucopia of diverse skills and knowledge, giving her the opportunity to consult with businesses on the “cutting edge.” Dr. Brightly is recognized as an authority on financial literacy topics and has been featured as a financial expert numerous times on *The Daily Buzz*, a nationally syndicated morning show and radio stations across the U.S. She presents relative and time- sensitive financial information to universities, communities, and governmental agencies. A former policy advocate, high school teacher,

FOR IMMEDIATE RELEASE

university professor, and State administrator for the Department of Education, Dr. Brightly knows first-hand how policymakers and legislation impact educational institutions.

WHAT'S IN THE BOOK? The first key to planning a sound financial future begins with understanding how to avoid credit and debt pitfalls. The purpose of *8 KEYS to Financial Freedom* is to provide consumers with the financial keys that lead to financial stability and eventually financial freedom. *8 KEYS to Financial Freedom* will raise the awareness of financial literacy and educate the general public about how the credit system works and real money matters.
