

## Demetrious Belser, Westgate HS, Iberia Parish

Recommended Websites that I learned about from the  
2016 J\$ National Educator Conference:

<a href="http://Myclassroomeconomy.org">Myclassroomeconomy.org</a>	Teach young people not only the concept of financial literacy discipline but also the rewards that go with it. Students get to earn paychecks, bonuses, pay bills and fines, pay rent for their desk and earn prizes.
<a href="http://Teachbanzai.com">Teachbanzai.com</a>	Using Life Scenarios, students receive fictional income and expense transactions similar to those they'll encounter in real life. They and track their progress, and learn about budgeting and making tradeoffs.
<a href="http://Bizkids.com">Bizkids.com</a>	Fun, inspiring entrepreneurial education, with fun graphics and videos. Lesson plans, and videos.
<a href="http://www.nextgenpersonalfinance.org">www.nextgenpersonalfinance.org</a>	One-stop shop for free lesson plans and resources. Also gives you standards.
<a href="http://www.moneyskill.org">www.moneyskill.org</a>	Classroom modules that can be accessed at home or at school. Internet required. Has a gradebook for teachers, students can retake modules, and they can earn a certificate of completion.
<a href="http://www.conemifyoucan.org">www.conemifyoucan.org</a>	Financial entertainment video game that teaches players about the types of persuasion tactics used to perpetrate financial fraud.
<a href="http://Saveandinvest.org">Saveandinvest.org</a>	Lesson plans, videos, games, and assessments
<a href="http://HSFPP.ORG/JUMPSTART">HSFPP.ORG/JUMPSTART</a>	Free Personal Finance Curriculum in the form of modules. Allows for students to receive hands-on experience.
<a href="http://www.practicalmoneyskills.com">www.practicalmoneyskills.com</a>	Lesson plans, videos, games <a href="http://www.practicalmoneyskills.com/resources/free_materials/">www.practicalmoneyskills.com/resources/free_materials/</a> The link lets you order FREE materials shipped to you.
<a href="http://Econedlink.org">Econedlink.org</a>	Finance games, online interactive resources, assessment center, and professional learning.
<a href="http://HowtheMarketWorks.com">HowtheMarketWorks.com</a>	Free Stock Market Games for the classroom
<a href="http://Rightaboutmoney.com">Rightaboutmoney.com</a>	Broken down into different categories, Quick News, And Videos
<a href="http://Investinwhatsnext.org">Investinwhatsnext.org</a>	Three lessons you'll explore your options, budget for your future, and build a plan that's right for you. Get started on your way to investing in what's next!
