

# Jump\$tart National Educator Conference 2026

## *Sponsor Benefits*

Every teacher at the Jump\$tart National Educator Conference attends on scholarship, which includes full registration, two hotel nights, and six conference meals.<sup>1</sup> Often, the schools and districts that could benefit most from NEC resources are the same ones that would be otherwise unable to send their teachers. To ensure that every teacher has the opportunity to attend, regardless of their school's ability to pay, we made the Jump\$tart NEC an all-scholarship event, but *this is only possible with the generosity of our sponsors and underwriters. Can you help us bring teachers to the 2026 Jump\$tart NEC?*

### Scholarship Sponsors/Providers\*

Every \$2,000 scholarship brings one teacher to the Jump\$tart National Educator Conference (NEC). All sponsors of \$2,000 or more are provided the names of the teachers they support and often receive thank-you notes from the recipients. Scholarship sponsors and providers at all levels will be acknowledged on the Jump\$tart NEC webpage and wherever else there is an opportunity.

### Scholarship Sponsors/Providers\* – \$20,000 and Above

In addition to the acknowledgements above, scholarship sponsors and providers of \$20,000 or more are offered complimentary space in the Jump\$tart NEC Exhibit Hall, recognition on conference signage and materials, where appropriate, and are given priority consideration for presenter roles, if available.

### Conference Underwriters – \$50,000 and Above

Conference Underwriters are provided all the sponsor benefits shown above, along with having their logo prominently displayed on the Jump\$tart NEC webpage, onsite signage, and the participants' tote bags. Underwriters are offered the opportunity to lead a breakout session or introduce a plenary session speaker.

### Premier Underwriters – \$100,000 and Above

Premier Underwriters are Jump\$tart's partners in delivering the NEC experience to well-deserving teachers from across the country. In addition to all the sponsor and underwriter benefits above, Premier Underwriters help to welcome attendees at the opening night event and work with Jump\$tart staff to ensure a meaningful sponsor-benefit experience.
